A PIOCHER ON HIS TRAVELS,-Wm. Bell, formerly engaged in the restaurant of the late John H. Lynch, has been on s prospecting tour, and got back to Bullionville about the 20th ult. Meeting him in town yesterday, Billy gave us a brief account of his travels. He left Pioche on the 1st of August and went to Pioche on the 1st of August and went to Belmont. From that point he found his way to Palisade. In that neighborhood he examined the mines for five days. He found the best mines in that neighborhood to be those of Freeman & Co., of Elko. From Palisade he went to Buil's Run, and from the latter point to Cope District. From Cope he went to Bruno, where he found Chinamen's placer diggings, where they were taking out \$1.00 a day to the man. From Bruno Billy bent his steps to Independence Valley. Here he paid a Chinaman four bits for the use of a rocker for three hours, durhere he paid a Chinaman four bits for the use of a rocker for three hours, during which time he panned out about 60 cents in gold. He then went on to Elko, which he found to be a lively camp. The next place visited was Cherry Creek, where he found a five-stamp mill in course of erection, with a product from the mines of probably \$1.000 a day. The next place at which he arrived was Shelburn, where Jud Bates was putting up a ten-stamp mill. The McMabon mine, of which Jim Holland is foreman, is the main support at present of Shelburn, but Billy is certain that Shelburn is destined in the future to be a No. I camp From Shelburn he went to Sheshone, where he found a shaft down 100 feet, with good gold deposits. He also visited the great gold deposits. He also visited the great Coroucopia mines, and found them to be a humbug. He says there is nothing there, and advises all adventurers to keep away from that district. THE NEWARE MINE -Those who may

have considered the Newark only a a second-class mine, if there are any such, will be somewhat astonished to hear that bullion to the amount of \$38,000 has been shipped thus far in the present month, that a shipment of \$7,000 more is now in Wells Fargo & Co.'s office to go below this morning, and that when the clean-up for the mouth is made the total amount of bullion taken from the mili in September will be over \$50,000. This we would call a good showing. There are a hundred men employed in this mine, and they have taken out, during the month, ore valued at \$90,000, and that from the 500-foot level alone. If anything will strengthen the confidence which people have in the mines of Ely District, it is such a report as this. A QUEER SORT OF ASSAULT AND BAT-

rear .- On Saturday last a gatherer of cans brought his stock of tinware within a short distance of the house of Thomas Donahew, and built there a fire to melt the solder from the cans. Mr. Donahew, as it was a very windy day, and as con-sequently he thought the fire dangerous. sequently he thought the fire dangerous, proceeded to put it out. Some one interiering, he gave him a shove and a nt him off; whereupon a woman named a state made a complaint of assault and battery against Mr. Donah-w before the Justice's Court. The d-fendant came up before Justice Van Hagen, who, finding no just ground of complaint, discharged him.

A ONE SIDED FIGHT. -Yesterday evening a man was seen on the sidewalk on Lacour street abusing a bar-keeper, who was in a saloon. The bar-keeper took it all calmly for some time, but finally, being able to stand it no longer, he rushed out and punched and pounded his calumnator, whilst the latter got down on a bench, and tried to keep his when the bar-keeper had finished this little business the defeated man arose and walked away with much dignity (as he himself thought) swearing vengeance upon the vender of drinks. upon the vender of drinks.

FIXED. - Wm. Kistle was brought up in on a charge of assault and battery made upon Mrs. Buckley. He demanded a on Thursday next the power of the Probate Court in cases of civil and crim inal jurisdiction will be put to the test and they found Wm. Kistle guilty as hand they found Wm. PROBATE JURISDICTION IN UTAH. A case involving the question of the jurisdiction of Probate Courts in criminal cases is thus stated by the Beaver Enterpise:

On Thursday next the power of the will be comprehended upon glancing over the list of births. Mr. Partridge became a tather on the 23d ult. He is an old Piocher, having been engaged with Barnum W. Field in the banking business here several years ago. We tender our congratulations to our worthy friend and hope that he and his charming spouse may live till a whole flock of Partridges shall surround their household.

You Kip pur.—The fast of Ferridges and tried for larceny at St. George, Uouthern Utah, before Judge Snow, of one of vital importance to Utan, and thus far the que-tion stands equally di-vided on both sides. Judge McKean, of the Third Judicial District, decided against Probate jurisdiction, and Judge Emerson, of the First Judicial District Court, for it.

end.

FIRE.—One evening last week a fire coccurred in one of the bed-rooms of a lodging house on Meadow Valley street. A portion of a wash-stand was destroyed before the fire was discovered. A few moments more would have antificed to give the figures enough headway to have made them uncontrollable.

KENO.—Frank Black to-day moves his keno games to Hamilton's saloon, on Main street. He has just received a keno Court of Ubsh, rendered his decision in accordance with a former one made by hism at Salt Lake recently, that the Probate Court has no jurisdiction in criminal cases, thereby invalidating the sentence of said Probate Court in the case of Mr. -tone, who of course wins the sait. The case was well rapresented on b thisdes, Mossrs. Beale and Brown for the defendant, and Judge Lovell for the people. This decides a very important question to the people of Utah.

THE INDEPENDENT COMMITTEE.-The State Central Committee of the Independent party met vesterday at 100'clock a. m., at the Golden Bagle Hotel, and organized by electing Wm C. Norton, of Placer, temporary Chairman and M. C. Couroy, of San Francisco, temporary Secretary. W. W. Dodge, of San Francisco, was elected permanent Chairman. The election of the permanent Secretary was postponed until the next meeting. On motion of Mr. Catlin, the committee adjourned to meet in San Francisco on State Central Committee of the Inde adjourned to meet in San Francisco on September 30, 1873, at 2 o'clock p. m., at 417 Kearney street.—[Sac.
